

Texas Systems Group named to the MSPmentor 501 Global Edition

*8th Annual Report Identifies
World's Top 501 Managed Service Providers (MSPs)*

March 26, 2015: Texas Systems Group has appeared on the eighth-annual [MSPmentor 501 Global Edition](#), a distinguished list and report identifying the world's top 501 managed service providers (MSPs). The complete 501 list is currently available on the [MSPmentor](#). Additional lists include:

- The top ranked MSPs in North America
- The top MSPs in Europe, Middle East and Africa
- The top MSPs in Asia, Australia and New Zealand
- The top Small Business MSP list comprised of the top companies in our annual survey with 10 or fewer employees.

"Texas Systems Group is honored to be recognized as one of the top Managed IT Services Providers in the World. This recognition directly reflects on our employees' dedication to provide our clients with the highest levels of customer service," said David Doran, CEO and Co-Founder of Texas Systems Group. "Our culture is strongly rooted in operating as a unified team and we are so grateful to our employees' commitment to each other and our clients."

Each year, *MSPmentor* gathers information for its annual rankings through the participation of managed service providers and IT service providers in our annual survey. The survey was conducted from December 2014 through January 2015. Rankings are based Penton Technology's unique criteria for MSPs such as annual recurring revenues, total revenues and more.

"We want to congratulate Texas Systems Group and look forward to covering their growth strategies in the year ahead," said Marcia Parker, Executive Director, Penton Technology Group.

This year the top *MSPmentor 501* companies recorded higher recurring revenues than ever before. Combined, the total annual recurring revenues for all of *MSPmentor 501* 2015 companies reached a record high of \$3.95 billion in 2014, up 26.5% year over year.

MSPmentor, produced by Penton Technology, is the ultimate guide to managed services.
